We currently have 33 participants. Our coordinator works with local private and public agencies in the 3 counties to improve supportive services. We are participating with other public agencies to establish a One-Stop Program. We established a Ready to Rent Program with our community partners. To date we have had two classes resulting in 8 graduates. Our FSS Specialist is monitoring our zero income participants on Statement of Survival. This has resulted in several families applying for TANF, 1 family transferred to Hillsboro where they could access better mental health facilities for a young child. A few families have gone off the program. We are currently implementing a homeownership program. The FSS Specialist is working closely with the local Community Action Agency & Longview Housing Authority to develop policy, procedures and local private partners.

B. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

X	Employ effective maintenance and management policies to minimize the number of public housing units off-line. <i>The housing authority does not have HUD public</i>
	housing units, however, we do own and manage units designated for families, elderly and disabled.
X	Reduce turnover time for vacated public housing units: See above statement.
	Reduce time to renovate public housing units
X	Seek replacement of public housing units lost to the inventory through mixed finance development
	Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
X	Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
X	Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
X	Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
X	Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
X	Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
X	Other (list below): The housing authority accepted a Welfare to Work Voucher from

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- X Apply for additional section 8 units should they become available
- X Leverage affordable housing resources in the community through the creation of mixed finance housing

the Selitz Indian Tribe when they no longer wished to administer that program.

- X Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- X Other: (list below): Tenant Based Assistance (TBA) HOME dollars through the State Housing & Community Services. The housing authority board of Commissioners designated 5 Housing Vouchers to enable staff to develop a homeownership program.

Need: Specific Family Types: Families with Disabilities

	gy 1: Target available assistance to Families with Disabilities: ll that apply
X	Seek designation of public housing for families with disabilities Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing. The housing authority does not have HUD public housing units, however, we do own and manage units designated for elderly and disabled as well a two group homes for developmentally disabled clients and a transitional housing for CMI clients. We currently, are working with local community partners to develop housing for persons with mental illness.
X	Apply for special-purpose vouchers targeted to families with disabilities, should they become available. <i>NOHA will continue to apply for vouchers for non-elderly disabled individuals. The housing authority has received 75 vouchers.</i>
X	Affirmatively market to local non-profit agencies that assist families with disabilities
X for	Other: (list below). The housing authority will not accept billing on portability if the Housing Payment Standard (HPS) is greater than ours. An exception will be granted persons with a disability as a reasonable accommodation.
